Since 1993 Apr Luxury Linen  
has taken on board your  
yachts tailoring quality and  
prestigious Italian fabrics.  
Inspired by a deep marine culture,  
a great passion for the  
Italian excellence and  
tailored products, it immediately  
became a prestigious firm of yachting  
bespoke luxury linen.

Led by two generations with  
a single common thread,  
our company  
aims at creating an on board  
environment consistent with  
yacht design and owner personality.  
An emotion driven experience,  
through a rich selection of fabrics,  
colors, and decorations.

## ITALIAN'S TAILOR MADE

It's in our laboratory  
in Sestri Levante that magic happens:  
precious fabrics are turned into  
unique linen collections.

APR Luxury linen's distinguishing  
trait is the ability to create  
tailor-made linen collections  
thanks to the rich technical drawing  
database available.  
Over the past 25 years we have been  
meticulously collecting data to reach  
this unprecedented proficiency.

## BESPOKE

Our passion for excellence  
and for unique tailored products  
are APR Luxury Linen's  
main principles.

Our team dedicates itself to  
the creation of exclusive products  
of unparalleled quality.

Processes are driven by sensations.

It's a journey through a  
wide selection of natural fibers  
as cotton, wood, linen, hemp, wool  
and silk - a vast selection of  
structures, weights, nautical  
treatments in a wide variety of thread  
counts that reaches the prestigious 1400tc.

An endless range of decorations,  
colors and embroidered  
customized linen.

This is our bespoke experience.

## OUR PHILOSOPHY

We create an on board environment in step with the style of your yacht in order to make your journey charming and glamorous.

## SOCIAL RESPONSABILITY

The human being and the environment are the heart of our philosophy.

Through the Global Organic Textile Standard (GOTS) we guarantee organic textile products obtained in compliance with stringent environmental and social criteria applied at all the levels of production. From the natural fibers collection on the fields, to the subsequent manufacturing phase, up to the labeling of the final product.

## CERTIFICATIONS

Our fabrics comply with the OEKO-TEX certification criteria which guarantees eco-compatibility and the absence of harmful substances. Global Organic Textile Standard (GOTS) guarantees to the consumer that organic textile products have been obtained in compliance with stringent environmental and social criteria applied at all levels of the REACH production. The latter ensures a great level of protection for human and environmental health.
